The Importance of Volunteering:

The Great Overland Station is a valuable community asset that continues to grow and develop. We have many goals yet to accomplish. We work constantly toward being a community treasure that all are proud of and that tourists and students feel compelled to visit. Our operations budget is supported entirely by facility rentals, admissions, memberships, sponsorships and donations. Volunteer hours are very important to the success of the Station. There are many opportunities to help at the Front Desk, Gift Shop, Docents and Tour Guides, Grounds Maintenance, Special Events and Children's Events.

With your help and support, we will accomplish our goals!
